imageRUNNER ADVANCE DX 719/619/529 Series

CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

The future of business is digital. Canon imageRUNNER ADVANCE DX is a new generation of smart multifunction devices, designed to support and accelerate every step of your digital transformation. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX 719/619/529 Series offers smart and secure A4 mono multifunction devices with all-in-one toner cartridges; maximising efficiency, minimising downtime and delivering 360° security. Innovative scanning technology ensures accurate, streak-free scanning at speed, while uniFLOW Online Express (uFOE) cloud software offers streamlined device management and enhanced cloud connectivity as standard. Versatile design supports flexibility and space saving, with counter-top or floor-standing placement suitable for offices with small footprints and high productivity needs.

Canon

imageRUNNER ADVANCE DX 719/619/529 Series

CLOUD CONNECTIVITY

- Cloud-based software-as-standard uniFLOW Online Express (uFOE) offers a single integrated solution to increase device security and simplify print management
- Securely scan and print documents from anywhere, with enhanced cloud connectivity
- Re-usable print formats allow easy access to documents in the cloud
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions such as uniFLOW Online*
- Device offers native applications such as AirPrint, Mopria, Universal Print by Microsoft and Canon PRINT Business App

SECURITY

- Verify System at Start-up supporting Platform Firmware Resiliency (NIST SP800-193) and Automatic Recovery, SIEM support and McAfee Embedded Control analyse the device in real-time to detect and prevent external attacks
- TPM 2.0 (Trusted Platform Module) comes as standard and securely stores encryption keys, such as passwords
- Set up device authentication, two-factor authentication and device function restrictions for both device and cloud-based security measures
- Encrypted SSD storage extends data protection and is more resistant to vibration and shock for increased reliability
- Upgrade to uniFLOW Online* for enhanced secure printing, mobile printing, and guest printing from any device
- Data privacy across your network is ensured with IPSec, port filtering and TLS 1.3 & WPA3 support
- Step-up security further with easy-to-programme Security Navigator or let Canon's experts create best solution for your business environment

PRODUCTIVITY

- Print and scan up to 71 ppm and 190 ipm
- Automatically file documents with cloud-based Filing Assist from uniFLOW Online*
- Alleviate concerns for physical device operation, without compromising user experience, by applying optional antimicrobial film to all common touch points
- Efficiently digitise documents with one-touch workflows and shortcut buttons on the Home screen
- Enable flexible hybrid working and minimise device interaction with continuous user experience through the Canon PRINT Business app
- Boost productivity with stapling of up to 50 sheets with the optional Instant Stapler accessory – small enough to fit on top of devices or desks, anywhere in the office, home or co-working space

SUSTAINABILITY

- Edit print settings at device-level for accurate scan output
- Quiet operation and reduced paper hitting sounds during scanning is enabled thanks to technologies such as digital registration and a smooth ADF internal structure
- Eco Recovery mode decreases power consumption to save energy and lower running costs
- Automated and digitised processes minimise paper usage for a paperless office
- Reduce waste with high-quality scanning, including digital deskewing and advanced stain-resistant glass

SERVICEABILITY

- Save costs and increase device uptime with innovative enhancements to frequently replaced hardware components as part of our evolving imageRUNNER ADVANCE DX portfolio
- Reduce technician visits with quick, safe, and accurate user replacement of consumable parts
- Long-life parts reduce the frequency of replacement while screw-free fastenings allow parts to be replaced faster and more efficiently

*uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits including: increased security with user authentication methods; personalised workflows to enhance productivity; reduced wastage by releasing jobs at the device; an intuitive cloud dashboard to leverage real-time data; greater control over access and usage to reduce print costs.
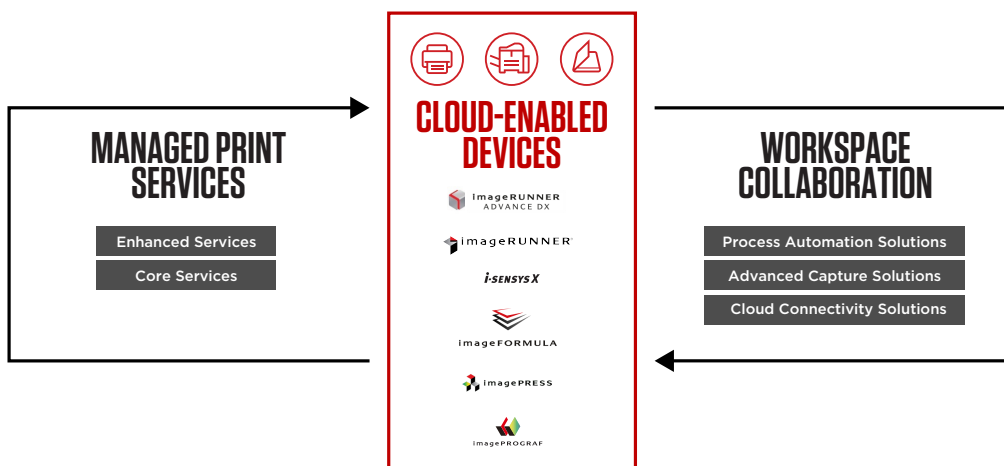

NOTE – Certain features are only enabled with the combination of iR ADV DX and uniFLOW Online

QUICK FACTS

- **Format:** Mono A4
- **Paper Supply Capacity (Max):** 3,200 sheets
- **Warm-up time:** 4 seconds or less
- **Finishing Capabilities:** Collate, Group, Offset*, Staple* (*only available with Finisher models. Offset available with upper tray)
- **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS

- **Print speed:** 52-71 ppm (A4)
- **Scan speed:** 190 ipm (A4)

- **Print Languages:** UFRII, PCL6, Adobe® PostScript 3™
- **Print Resolution:** 600 x 600 to 1,200 x 1,200 (equivalent)

- Enhanced cloud connectivity enables collaborative document access from anywhere, with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- Verify System at Start-up, McAfee Embedded Control software, alongside other security features, offers complete peace of mind and 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts
- Easy, simplified maintenance is enabled with the all-in-one toner cartridge
- Versatile design with counter-top or floor-standing options to fit in any space

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE
